THINGS TO REMEMBER (TO PREVENT ANYTHING HAPPENING TO YOU ON YOUR TRAVELS!)		✓
1	Your emergency code word. Just in case! Make sure at least 2 of your friends know it.	
2	2-3 safe places that you can't wait to see!	
3	That special someone who has a copy of all your most important documents.	
4	Once you're on holiday make sure you know where the nearest emergency services are.	
5	Travel to new places – get out of your routine!	
6	Tell the other holiday-makers around you about your experiences and what to do if they spot The One.	
7	Get a Pay-As-you go SIM / get a new number that is blocked to be extra safe whilst abroad.	
8	Always, always, always be extra careful abroad. It's usually more dangerous when you've left home than when you're in familiar territory.
